PLASTIC PUNCH

Wherever facts and figures have more than a temporary value, there is a need for Speed-O-Print Plastic Binding equipment. Here are but a few examples.

Now you can do professional-quality plastic binding at low cost . . . in your own office . . . whenever you want it. Simple to operate, this precision-built, desk-top unit accommodates sheets any length on the binding side. Accurate punching on $\frac{1}{2}$ " centers fits all Speed-O-Print plastic combs. Heavy steel construction for long life. Finished in Duo-Gray and Chrome trim. Weighs only 18 lbs.; use it anywhere!
